

WHAT ABOUT A POLICE RELATIONS ACT?

Hi there boys and girls, on the obverse of this leaflet you will see a photograph of somebody about to get his. In April I received a copy of this through the post; it was published by an organisation called SS Action Group, which operates out of the United States. The actual leaflet had a slogan on it:

HOLOCAUST

The jews call it murder!

We call it "JUSTICE"

Such "literature" cannot be published in Britain and its dissemination is highly illegal. If something like this were to be published here, the outfit that did it would be raided within a week, and one of the first people to scream blue murder would be Gerald Kaufman. However, Mr Kaufman doesn't regard all such direct incitements to murder with equal disdain. Below is the reply he sent me after I drew direct incitements to murder police officers to his attention. Remember that boys and girls. Happy reading.

From: The Rt. Hon. Gerald Kaufman, M.P.
