Dedication

To that vast army of liars who today distort the facts of the most tragic period of human history, and by their wilfulness and wantonness, incite hatred against Jew and non-Jew alike. And to that small band of courageous men, Gentile and Jew, who in the face of social ostracism, legal sanction, intimidation, violence, and even murder, continue to hold commitment to historical truth above all else in their, inevitably successful struggle against the forces of ignorance and darkness.

Front cover: a fake photograph concocted by "Nazi-hunter" Simon Wiesenthal, exposed by Revisionist Historian Udo Walendy as one of the innumerable crude forgeries calculated to burden the German people with guilt.
