

Welcome To Allred And Bloom

Hello, my name is Gloria Allred, and this is my daughter Lisa Bloom. We are the biggest shakedown artists in the American legal profession. How can we help you?

Do you have a celebrity or a politician you want to destroy for whatever reason or just because you feel like it?

Do you want fifteen minutes of fame?

Do you want to sell your non-story for big bucks?

If so, we are here to help you.

No evidence is needed. Only a story, and perhaps a few tears.

If you claim you were sexually harassed, groped, or even raped years and decades ago, no one will be able to disprove your claim. As long as you're not so stupid as to attempt to introduce physical evidence that can be refuted.

Whoever you hate, we can help you smear him, or even destroy him. Especially if he is a Conservative.
