29th Sept. 1998

Dear Mr. Balon,

Thank you for your letter with enclosure I received on 28th September, 1998, and now have pleasure in sending - sorry ink's running out - you another copy of the August 1997 Cardour as I cannot think that you have read it very carefully or you would have, at least, either acknowledged or denied the distinction made between Jews, as such, and "Perfidious Jews" of Gospel in-fame.

The perfidious ones are invariably Talmudic Jews, in, which as I understand it, they proclaim themselves - and not the Galilean impostor - The Messiah; as, according to the Talmud, it is the Jewish Race that is the messiah, The Chosen One, who will rule the One World when they have purged it of aliens. However, one must never forget that the Sons of Israel were Chosen by Jehova
over

to be His People and, after all their back-
-sliding — He promised His Only Son as Messiah
to redeem them by sacrificing His human life
on the Cross. Only, after He had done so, and
~~rising~~ ^{rising} from the dead, having been repudiated by those same
people: "We have no king but Caesar",
did Himself and the Holy Spirit exhort the
Apostles to "Go and Teach all nations".
Otherwise, that would presumably, have
been every Jew's job instead of being
left to be converted, like St Paul and all
others who repented and were Baptized in
Christ, plus the latter day Jews who are
converted to the Catholic faith of whom I
have known a few — no longer anywhere
but Christian Catholics — thought I don't
know what harm the present heretics
in the Vatican have caused — Sinners
are many Saints are few don't you
find?

Yours sincerely
Joseph Bannick
