## ***Witch-Hunts And Cover-Ups***

**This short video covers witch-hunts and the obverse, discussing them both in general terms and specifically the grooming gangs, the posthumous witch-hunt of Jimmy Savile followed by the witch-hunt of live male celebrities.**

**I cover the recent Russell Simmons case and how this #MeToo madness in the United States came about including the attack on statutes of limitations. After mentioning the witch-hunts (plural) of Donald Trump, I go on to cover Harvey Weinstein, who in spite of his convictions might just be innocent (if a pig).**

**Then I cover the Jeffrey Epstein case with particular reference to Prince Andrew.**

**I finish with some general talk about cover-ups.**
