

# ***International False Rape Timeline***

## ***— hangout — (113) Fame And Infamy***

**My apologies for the terrible quality of this recording. This will be the last time I do this. The hangout begins with some background.**

**It begins properly with smears on and lies about Donald Trump. I play a clip of the odious Lisa Bloom explaining why one of her false rape accusers didn't turn up.**

**I cover the E. Jean Carroll rubbish which the now unfortunately deceased Patricia Dickson debunked along with all the other false allegations against Donald Trump.**

**Next, I cover the Sean Combs case and play a short video – that notorious hotel corridor scene. Then I cover the Conor McGregor case; the witness evidence on both sides is, odd, to say the least, but the physical evidence indicates clearly that Nikita Hand was raped and that he was the rapist. I compare this with the Ched Evans case.**

**I cover the Joseph Eubank acquittal, a case I will not be adding to the False Rape Timeline. I also mention the innuendo against Matt Gaetz, then the clearly false allegation against Pete Hegseth, which I will be adding to the False Rape Timeline.**

**I cover an old smear – against the long dead Martin Luther King.**

**I finish off with a mention of the ongoing investigations into the late Mohamed El-Fayed and the ongoing campaign by Rape Crisis Scotland to pervert the rule of law with attacks on corroboration and the (now failed) attempt to bring in juryless trials for rape cases. Regarding (fake) corroboration, I mention *en passant* the odious Menéndez Brothers.**
