

## ***International False Rape Timeline***

### ***- hangout (121) - Not For The Timeline (V)***

I begin this hangout with news from the Harvey Weinstein trial in New York and play the audio of two short clips of two of his *faux* victims and his lawyer talking after the event. I compare this case with the rape trial of the infamous sexual predator boxer Tony Ayala.

I go on to discuss a case of some historicity from Canada, one of mistaken identity followed by a number of other cases, sordid but not of mistaken identity. I also discuss the reaction to a documentary about Jeffrey Epstein and a mention of Rolf Harris, both these latter related to the *Internet Movie Database*. (I allude to this erroneously as the *International Movie Database*; it is stylised as the *IMDb*).

I go on to discuss an article by a feminist airhead who defended the now easily proven liar Christine Blasey Ford. I enjoyed debunking this woman at length.

In addition to other cases, I discuss an appeal by a so-called helpline for male rape victims. Yeah, right.
