Koestler Award Trust

Founded by the late Arthur Koestler and supported by other donors.

July, 1984.

Dear Mr. Baron,

This letter is to thank you for your participation in the Koestler Award Scheme. The Trustees appreciate that you have entered your work and wish you to know that over recent years they have been impressed by how much satisfaction the entries have given to very many people.

You will be aware that all entries are judged by a panel skilled in each particular section. This panel decides upon the Awards to be made and upon which entries should be included in the London Exhibition. The awarding panels meet from July onwards and we shall seek to inform you as early as possible the result of your entry.

Because we do not have a full-time office staff, it is not possible to enter into detailed correspondence, but on behalf of the Trustees of the Koestler Award Trust I want to thank you for your entry and to wish you every success in following the art or craft of your choice.

Yours sincerely,

David Astor
