

# Marjorie Taylor Greene Exposes The Great Replacement

[The following is a transcript of my narration only.]

On the off-chance you haven't heard of it, the Great Replacement has been called a conspiracy theory. As you can see, the American Jewish Committee calls it an anti-Semitic conspiracy theory.

The screenshot shows the American Jewish Committee (AJC) website. The page is titled "Great Replacement" and is categorized as a "conspiracy theory". The definition provided is: "a conspiracy theory rooted in the belief that the white race is under threat of extinction at the hands of Jews and other minorities. While a similar conspiracy theory was prevalent in Nazi Germany and has been promoted by white nationalists for decades, this recent iteration was popularized through Renaud Camus's 2011 book *The Great Replacement*, which claimed Muslims in France were destroying French civilization and culture".

**WHY IT'S ANTISEMITIC:**

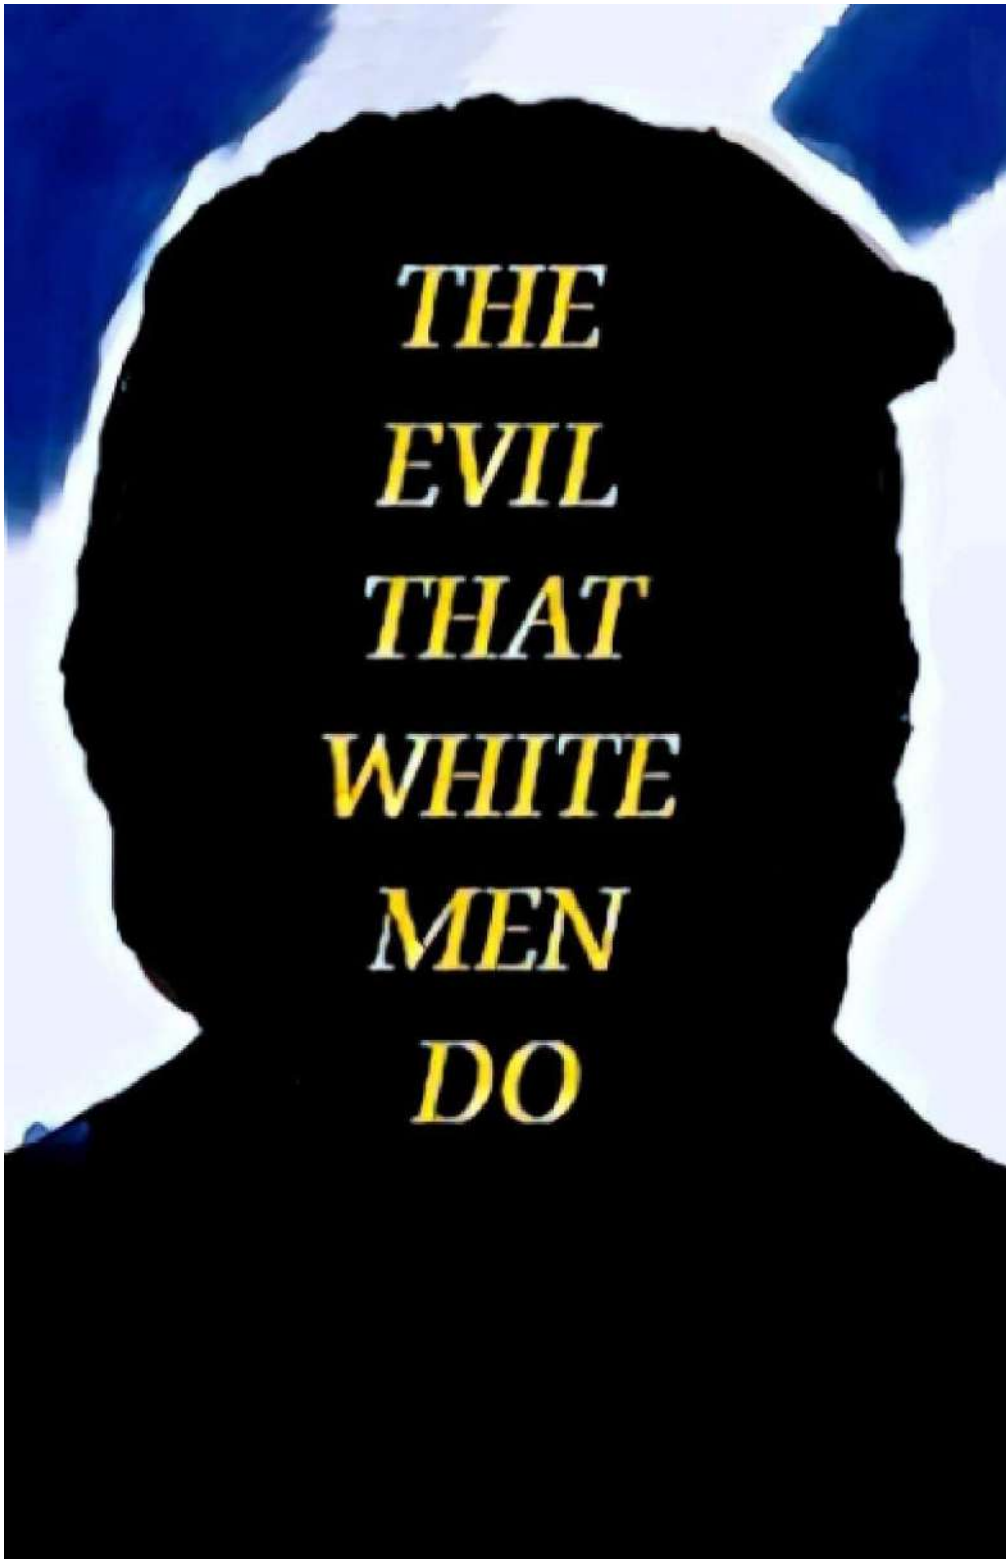

Great Replacement, also known as white replacement theory or white genocide theory, claims there is an intentional effort, led by Jews, to promote mass non-white immigration, inter-racial marriage, and other efforts that would lead to the "extinction of whites." This conspiracy theory was famously promoted at the 2017 "Unite the Right" rally in Charlottesville, VA, when white

The page also features a "TRANSLATE HATE" banner with a "TAKE THE QUIZ" button and a "Glossary" sidebar on the left with terms like "blood libel", "cabal", "clannish", "conspiracy theory", "control", "cosmopolitan elite", "cowardice", "creatures", "Deadly Exchange", "decide", "dual loyalty", "(((echo)))", "From the River to the Sea", "gaslighting", "Globalist", "Globalize the Intifada", "The Goyim Know", "Great Replacement", "greed", "Holocaust denial / distortion", "Holocaust", "Illuminati", "Jew Coup", and "Jew down".

It is certainly true that there are some people who blame Jews for all the world's evils; that is called anti-Semitism.

Alternatively, blaming white people, specifically white men, for all the world's evils, is called anti-racism,

**but simply calling something a theory, doesn't refute it. The Great Replacement isn't a theory, because it is happening. As for that bit about Jews being behind it, here is a Jew calling to replace what she refers to as white nationalism.**

In Georgia, a chance to rebuke white nationalism.

**By white nationalism, she means white people.**

**And here is the dynamic Marjorie Taylor Greene exposing the machinations of another Jew who is intent on flooding the United States with non-whites for his own nefarious ends.**

**Alejandro Mayorkas is a Cuban Jew who has used his position as Secretary of Homeland Security to...well, let the Congresswoman tell you exactly what he has done, and she has brought the receipts with her.**

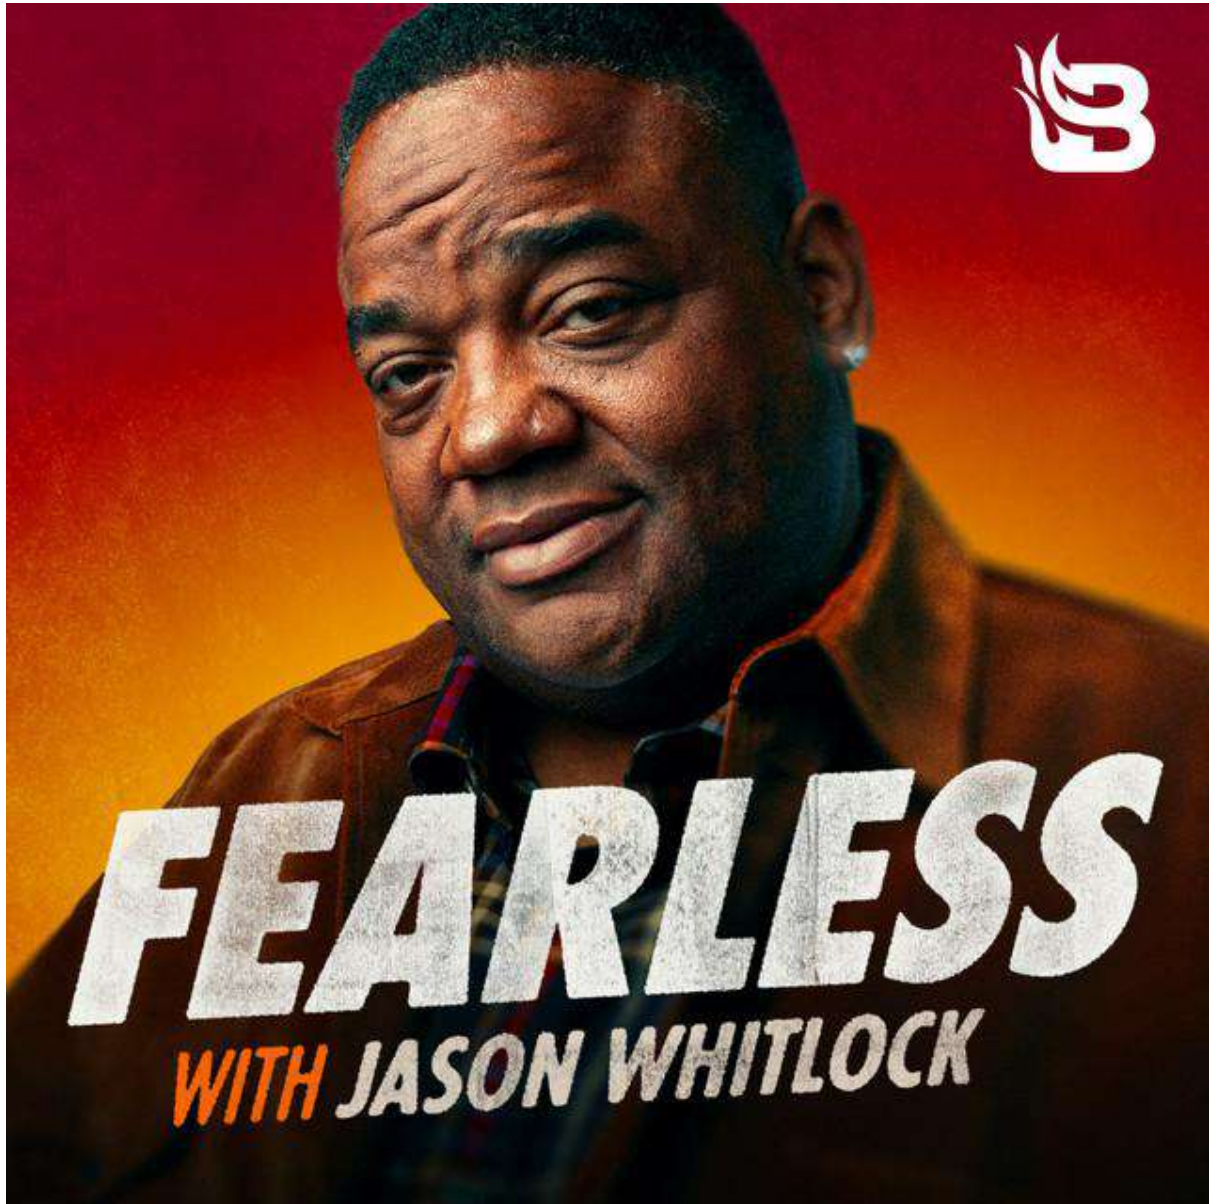

**At the end, she calls on Chuck Schumer, another Jew, to impeach Mayorkas in the Senate. He didn't.**

**It would be easy to claim this is the machination of two Jews who are intent on destroying the United States, but Marjorie Taylor Greene also mentioned a host of others. Furthermore, if we look at what is currently happening in Europe, we see the same thing, and we see powerful politicians doing their best to suppress all native opposition to it. In Ireland especially, the natives are being smeared as bigots and haters because they are attempting to preserve their own, unique heritage.**

So what is really going on here? The forces of internationalism are attempting to destroy not simply the White Race, but America, the West, and ultimately all unique cultures. The black American conservative Jason Whitlock interprets this as an attack on Christianity.

That is also true. And they think that by calling it an anti-Semitic conspiracy theory you'll be frightened off exposing and undermining their evil plans.

So where do Jews come in? Jewish organisations such as the ADL have been in the forefront of this movement, as have individual Jewish hatemongers like this lowlife,

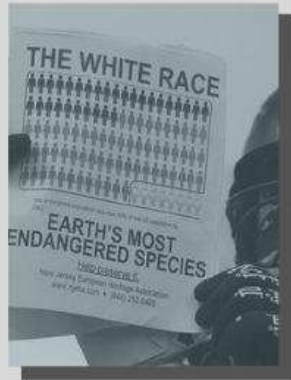

**but Jews as a whole are largely as dumb as the *goyim*. Or they were until the outrages of October 7. Here are two Jews discussing that.**

**That's right Sheryl, it's about Jewish survival. There are people out there who want you expunged from the face of the Earth simply because you are**

**a Jew. By the same token, there are people who want Western Man expunged from the face of the Earth.**

**You, and every other Jew on this planet, have to make up their minds. Alejandro Mayorkas and Chuck Schumer have already made up theirs.**
