

**The following message was sent to YouTube after yesterday's site update. It was in two parts because these appeals have to be uploaded via a special link, and the space is limited. I wonder why. Not. Needless to say it was rejected promptly.**

**Re "Anti-Semitism In The Modern World - Part 1"**

**This video was uploaded over ten years ago and does not constitute hate speech. It has been removed at the behest of liars and fanatics. This constant flagging of my videos constitutes political harassment by those who cannot refute my arguments.**

**(See also previous message)**

**If you want to remove genuine "hate speech" videos you can start by removing the many that claim Donald Trump is a rapist, Hillary Clinton a serial killer (the Clinton death list), or those that accuse Jewish conspirators of being behind the 9/11 attacks.**
