SPEAKERS (in order of appearance):

Dr. ROBERT STRECKER M.D. Ph.D.

After more than 10 years of in-depth research, Dr. Robert Strecker is a leading pioneer and expert on AIDS. He will present concrete evidence, provided by official scientific documents, that AIDS is a MAN-MADE disease. With no cure and no effective treatment in sight, by the year 2000 everyone in the world could be infected with AIDS. Of equal concern is what oncologists, virologists and immunologists have feared for some time: that some day CANCER, in one form or another, will become a contagious disease. AIDS has now made that fear a reality.

"...Everything the government, the so-called AIDS experts and the media were telling the public was not only misleading, but out and out lies... THE TRUTH OF THE MATTER IS... AIDS IS A MAN-MADE disease...."

N.B. Although Dr. Strecker's presentation is aimed at the medical, veterinary and scientific community, the threat from AIDS affects every individual in the world. To this end, people should make it their concern to learn the real facts.

EUSTACE MULLINS

With 40 years of continuous research and with more than 35 books to his credit, Eustace Mullins, the protégé of Ezra Pound, is the world's premier conspiracy historian. He will expose and detail behind-the-scenes international, political and economic policy-making manipulations by a powerful elite.

"...Although my books have been routinely plagiarized... for more than 30 years by smalltime con artists...it is dismaying to find one of the world's largest publishing houses issuing carefully designed whitewashes to circumvent the documented information about the REMOTE CONTROL OPERATIONS OF THE WORLD'S MONETARY AND POLITICAL SYSTEMS which I have made available to concerned people...."

Jan M. van TOORN

An independent political and medical researcher, Jan van Toorn has acquired many important and powerful documents about our scientific, historical, political and healthcare issues, secret mass hypnosis and mind-control development programs, and manipulation of the world population. He was the founder of the "Alternative AIDS Research Foundation", and was responsible for the international AIDS conference "AIDS - A DIFFERENT VIEW" which took place in Amsterdam in 1992.

"...I have in my possession scientific medical documents confirming the AZT kills you. AZT is a political and economic winner for the pharmaceutical multi-nationals...."

DAVID M. SUMMERS

An Australian Journalist with the Australian News Syndicate who has travelled widely to more than 50 countries. During the past 9 years he has thoroughly researched anomalous phenomena. He will reveal documents and show actual film footage of top-secret information which has been deliberately kept hidden from the world for the past 50 years.

"...I believe this is some of the most important evidence of control ever likely to be exposed.... a lot of mysterious occurrences will suddenly be understood in the light of this information...."

VLADIMIR TERZISKI

B.Sc. Physics, M.Sc. Sociology, M.Sc. Electronics

A researcher in Solar Energy at the Solar Energy Research Laboratory at the Academy of Sciences, Sofia, Bulgaria and former Computer Consultant to the UCLA University, Vladimir Terziski, as a physicist and engineer, is a qualified authority on antigravity and advanced space flight propulsion technology.

"...Two months ago I was arrested and handcuffed for showing 4 panels with photos of disc-shaped crafts, and for demanding some answers from NASA at a lecture given by Apollo astronaut Harrison Schmidt.... In my research as a physicist I have arrived at the unexpected conclusion that antigravity is extremely easy to produce without any Sci-Fi hardware...."

JORDAN MAXWELL

30 years of study and research have made Jordan Maxwell a leading scholar and expert on the workings and inner structure of super-secret Societies and their direct links to the world's power elites.

"...It is probable that most of the public figures and military men involved in this secret scheme ARE UNAWARE OF THE REAL GOALS, OR WHO IS REALLY BEHIND IT...."

NORIO HAYAKAWA

Following the many unconfirmed rumours circulating world-wide regarding secretly funded "black-projects" and ultra-secret technology in the possession of the Military, Norio Hayakawa made it his concern to arrive at the truth. Working together with a major world Television Network, he has acquired extremely disturbing evidence of covert operations affecting the future of mankind. Hayakawa's team has documented proof on film of a test flight of highly advanced disc-shaped crafts displaying unnatural technological capabilities which clearly defy accepted gravitational laws.

"...It was there, at the top-secret military-scientific installation at the Nevada Test Site.... that the Production crew and I witnessed and video-taped several definite manoeuvres of aerial "crafts" making extremely unorthodox flight patterns... and WITHOUT QUESTION exerting a force of multiple "g's" in zig-zag movement... all of which are INCONCEIVABLE by conventional aeronautics!..."

WILLIAM COOPER

A former United States Naval Intelligence Briefing Team member, William Cooper is the world's top specialist on the inner structure of the New World Order and its startling implications. 25 years of dedicated research and inside knowledge has led him to expose vital information which remains hidden from the public eye until now.

"...Their only concern is to gain greater economic and political power.... They are determined to win for themselves undisputed control of the wealth, natural resources, and manpower of the ENTIRE PLANET.... Again I must remind you that it makes not one iota of difference what you believe... IF THEY BELIEVE, YOU WILL BE AFFECTED."

INTRODUCED BY
ANTHONY J. HILDER

All Speakers will lecture on both days, however, we believe it is in the interest of everyone to attend the complete 2 day event.

This International Conference has the clear scope of informing the public, and, as such, the Organisers wish to make it clear they have no affiliation whatsoever to any political groups, or other organisations.

WARNING:

The evidence and information presented during this Conference may be psychologically disturbing.
