

IMPORTANT FIGHT FOR YOUR RIGHTS!

- * **THE G.L.C. ARE TRYING TO VIRTUALLY ELIMINATE SEXSHOPS BY PRICING THEM OUT OF THE MARKET.**

Sir Horace Cutler, leader of the Tory opposition on the G.L.C. who, with Westminster councillors, residents and M.P.'s put forward the original idea, said: "The council could decide to charge £10,000 or £50,000 for a yearly license."

- * **BETTING SHOPS PAY A LICENCE FEE OF £1 A YEAR – WHY SHOULD SEXSHOPS PAY MORE?**
- * **SEXSHOPS ALREADY PAY V.A.T. ETC.**
- * **VERY FEW SEXSHOPS COULD POSSIBLY SURVIVE IF SADDLED WITH LICENCE FEES AS HIGH AS £10,000 – LET ALONE £50,000!**

DO YOU WANT THIS ON YOUR PURCHASES IN 1984?

The G.L.C. is proposing to licence sex shops and seeking powers to control anything to do with them. This means they can dictate to you what you can buy and where you can buy it.

If you do nothing, then by 1984 they will have the power to close down every sexshop in the country. Only YOU can do something about it. YOUR rates will be paying for teams of sex inspectors snooping around to stop you buying what you want.

Don't leave it to somebody else because the 'do-gooders' will be writing in force.
