A change for the better

Just when you thought we were beginning to get settled, we're on the move again! Our last night at Friends was on 23 May as the premises were recently sold and the new owners began double-booking Thursdays, which was certainly not part of the original deal. Apart from which, many felt it was a wee bit cramped there, especially on theme nights.

Fortunately, we had been offered a more suitable venue in the meantime. So from 4 June, we'll be open every *Tuesday* night at Turnmills — less than half a mile away (details on back page). You'll find it's a big improvement and just as easy to get to. Incidentally, drinks prices are much the same.

For the benefit of those with a long memory, Turnmills has been re-vamped recently with a new dance floor, lighting and sound system, extra bars, seating and so on. Be sure to come along soon.

4 June OPENING NIGHT

Arrive early for the first night at our *new* venue.
Dress to impress to score prizes for the most flamboyant.

25 June FETISH NIGHT

Wear leather, rubber and PVC or silk and lace in wicked black or fiery red. Prizes for the most decadent.

23 July BEACH PARTY

Flaunt your tan — even if it rains — in teeny bikinis, short shorts, bermudas and loud shirts. Win hot prizes.

By popular demand, we'll be reviving the Contacts section (see opposite), starting with the next issue which will be greatly expanded. Unlike other contact ads, ours are *free* to members, so what have you got to lose by filling in the coupon?

One last thing. If you're about to move house, please notify us of any change of address to ensure you always receive the latest newsletters.

Lotsa luv on ya.

CONNECT

You've probably made a lot of new friends at Nightshift but have you ever wondered just how many couples you *haven't* met, people in your area who share the same interests and tastes? Do you realise there are 86 members in Bournemouth, 110 in Reading and 64 in Peterborough alone, for example?

And of course many members from all over the UK and abroad don't get to visit the club as often as they'd like. Now you can get in touch by taking advantage of our new *free* contact service.

To advertise: As a general guide your ad should be about 30–40 words long. And for the best response, describe yourselves and your interests and what you're looking for. A box number will automatically be assigned to you (no charge) and replies to ads will be forwarded weekly. Deadline for ads to appear in the next issue is 5 July, though space will be allocated on a first-come, first-served basis.
