ABOUT NEXT WEEK’S PLAY

"WANTED—ONE BODY" is one of those rare plays—a thriller with a good helping of comedy.

The action of the play takes place in the house of the late Mr. Barracough who has just died at the age of ninety, and the story opens on the day of his funeral. The house is very isolated and the funeral arrangements are delayed owing to floods. From that moment the most mysterious happenings take place. Bodies and people disappear and secret panels open and close for no apparent reason. It is all very intriguing, and results in first-class entertainment.
