REVEALING
ILLUMINATI
SECRETS

*Welcome to the city of witchcraft & magic!
A breakaway from the traditional style of city
tour - an experience that better reflects Brighton's
status as a maverick city of subterranean 'strange
goings on'. Discover it's esoteric mysteries and
architecture encoding secret archetypal knowledge
- traceable to ancient civilizations. 'There are several
tours on offer in Brighton - none of them are as unique,
funny, informative or off the wall as this one'*
