## This is no ordinary city...

What connects Abba and a panty-less celebrity? Mount Everest and Tesco's in Hove? A stained wall and the birth of a worldwide retail brand? What's the story behind a same-sex wedding in 1923...Britain's 'most useless' monarch...a certain Parisian radio station? Why is my charming Regency house damp & crumbling? Only in Brighton...

### Only in Brighton is a vivid 80-minute guided walk

It is a curiously fact-filled and tongue-in-cheek look at what makes Brighton a city like no other. For the visitor, it's an insider's introduction; for the hardened Brightonian, a revelation and celebration. This personal tribute cuts to the heart of a unique city in all its glory, shame and muesli.
