

FEAST OF STEPHEN

- "How is the yule-log situa-tion, Hawkins?"
- "I have ignited the second element of the electric fire, Sir."
- "And the waits?"
- "We have gramophone records of a Mr. Crosby, intoning carols."
- " Now to the essentials. . . " "In the finest tradition, Sir, ample supplies of Gin or Rum with plenty of
- Rose's Lime Juice. . . "Which, with its famous therapeutic qualities, wards the chill of a possible hangover from the blossoms of hospitality."

" Beautifully put, Sir ! Quite oriental in feeling.

"Then bring me a large Gin and Rose's, Hawkins. I must greet the guests with the confidence of a judicious sampling."

STORY WITH A MORAL

for all who think "You just have to put up with a Cold"

5 p.m. SNEEZES SUDDENLY. Fears that she is in for one of her bad Colds. And there's the Club Dance to-morrow night!

GARGLES with T.C.P. frequently, to kill the germs in the nose and throat. Finds it clears her head and soothes her throat.

TAKES A SMALL DOSE of T.C.P. as well, and again in the morning, to help drive the infection sight out of the system.

ENJOYS DANCE A LOT. Feels certain she has to thank the 'Two-Way' Treatment for stopping her Cold so quickly.

WHY let a Cold make you look and feel your worst for a week at least? You can generally stop it outright, if you start this 'Two-Way' Treatment promptly:—

First you gargle thoroughly with T.C.P.—to kill germs where they lodge, and also to clear the nostrils and soothe throat soreness and irritation.

Then you take a small dose of T.C.P.
—so that its really safe internal antiseptic

action can help your system to drive out the infection quickly.

Kepeat this safe, simple treatment two or three times, and you will generally find that your Cold has gone.

From all Chemists, in 1/7d. and 3/9d. bottles, including Tax.
