1996 SPRING TOUR

"Fizzingly filthy, Jenny Eclair remains the slapper-superstar and scold supreme" The Sunday Telegraph

"Her hyperactive, gynaecological humour isn't for the faint-hearted" The Guardian

Don't miss this chance to see Jenny Eclair on tour performing her Perrier Award winning show, Jenny Eclair - Top Bitch. Winner of the 1995 Perrier Award for Best Comedy, Jenny has been described as "the most unstoppable brilliant stand-up this year" (The Independent). Standing tall in her 6 3/4" red stilettos, Eclair flies in the face of the humdrum and the mundane. The ultimate anti-wife, she is the Britain's Top Bitch, queen of smut. Banishing the myths for once and for all that girls are made of "sugar and spice and all things nice", Jenny argues that women are mad and enjoy being stroppy old bitches; it is their prerogative to change their minds at random and as often as they want to; clothes do matter.

"She started her show ataset level, systematically lowering the tone until she and the audience were wallowing in floods of filth. A triumphant hour of gasps and guffaws...she was magnificent" The Sunday Times
