# IS THERE AN ASSEMBLY IN MY NEIGHBOURHOOD?

If you're reading this flyer it means someone has opened an Assembly in your neighbourhood. Discover it by visiting [www.foodassembly.com](http://www.foodassembly.com). On the website you can search for Assemblies close to you and join them with no commitment to buy.

## HOW DO I SHOP?

Each week browse your Assembly's website to see what your local farmers and foodmakers are offering and order the products you want. The payment is secure and made by credit or debit card on the website.

## HOW DO I COLLECT MY ORDER?

The delivery is made on a weekly basis to your Assembly, which is close to your home or your workplace. The collection day and time are scheduled by The Assembly to be convenient to as many people as possible.

## WHAT ABOUT COMMITMENT?

There is none. It is up to you how much you shop at your Assembly.

## WHO EARNS WHAT?

The Food Assembly is a transparent retail model. When you shop through your local Assembly you know exactly who your money is supporting. Our producers pay a service fee equal to 16.70 % of the sale price before tax\*. It's a small fee and we will keep it that way - that's our commitment.

\* Shared equally between the Assembly Host and The Food Assembly website.
