Designed by experts, fuelled by magic and delivered with love, award winning Hartbeeps are super fun developmental baby, toddler and pre-school sessions for little ones of all abilities. Throughout our sessions, little Hartbeeps are encouraged to move, explore, interact and learn with fabulous, colourful, sensory props and puppets and our classes at JW3 are BSL signed. All Hartbeeps sessions comply with Early Years Foundation Stages (EYFS), so mums and dads can be confident they're doing something amazing for their little one's development whilst their little ones (and grown ups too) are having lots of fun!

10 – 10.45am - Happy House - For ages/stages: Walking to 4 years (younger siblings very welcome)

Our Happy House sessions keep busy toddlers and pre-schoolers happy and occupied as we take them on a big, bold, confidence-building adventure every week. Expect music, drama, storytelling, music, dance and movement

11 – 11.45am - Babybeeps - For ages/stages: Sitting to toddling

Our Babybeeps sound safari to transport you and your baby to our buzzing, bouncing, rhythmical world where little ones' early babbles are transformed into song. Working with babies' innate desire to communicate and ability to tune into rhythm, Babybeeps uses bright and beautiful props and puppets to encourage language, physical and social development.
