# St Christopher's WILL WEEK 16-20 MARCH 2015

**Why not sort out your affairs, get peace of mind and help St Christopher's at the same time?**

Simply contact one of our Will Week solicitors quoting 'St Christopher's Will Week' during 16-20 March 2015 and make an appointment at a mutually convenient later time for your own Will to be drawn up **free of charge**. This is all thanks to the incredible generosity of these local law firms, who will not charge you for their Will-writing services but instead will suggest that you make a minimum gift or legacy of £150 to St Christopher's in your Will. There may be a limited number of appointments available and your Will must be straightforward in nature.

Please contact Anna Somerset on **020 8768 4573** or at **a.somerset@stchristophers.org.uk** if you have any queries, or find out more about Will Week at **www.stchristophers.org.uk/willweek**

**Did you know that 22% of St Christopher's income comes from gifts in people's Wills?**

Every year it costs £18 million to deliver all our services, of which approximately £12m must be fundraised. The generous support of people just like you enables us to continue to deliver our expert palliative care and our family care services free of charge.
