

MICHAEL KNOWLES

15 THEBALK POCKLINGTON YORKS

ARRIVING YORK SUNDAY 3.47 DAVID

We're perfect young ladies
Preparing to take
Our places among the noblesse.

We're perfect young ladies

Preparing to make

The most of the charms we possess

We're very finished

And our families wealth

May be diminished,

But at least we all have perfect health.

And making the grade is

Our duty, you see,

In perfect young ladies are we.

We're perfect young ladies

Who hope to attract

A husband whose credit is good.

H. You may young ladies,

But why don't you act

The way that any young lady should.

I've after told you —

G: Please don't tell again.

H: I ought to tell you —

G: But you know it
would be quite in vain.

To being our maid is
your duty, you see

To perfect young ladies are —

H: Perfect young ladies. Hm!

G: Perfect young ladies are we.
