The Lewisham Local History Society

was founded in 1961 with the aim of encouraging and assisting study of the local history of the London Borough of Lewisham and nearby areas.

The Society enables those who wish to know more about the history of Lewisham and neighbouring districts to share that interest with others of a friendly, like-minded outlook.

A full programme of monthly, illustrated local history talks is provided, together with occasional whole and half-day excursions, and conducted evening and weekend walks, to places of historical interest.

Society Members receive free copies of the quarterly Newsletter and the annual Lewisham History Journal.

Subscriptions are renewable on 1st January each year—£10pa Individual Membership, £15pa for Family or Organisation Membership. (If you join the Society at People's Day or after 1st October, your initial subscription remains valid until the end of the following year.)
