

# FACTORY FACTORY RY

# Mobo Toy Factory; The Way We Had Fun

19 September 2015 – 6 March 2016

**Called Mobo and made in Erith, they were no ordinary toys. The Mobo Bronco, Night Rider and Toy-toise were stars in a whole stable of mobile toys. Pedal cars soon followed. Kids across the UK and in the US loved them, making their creator, David Sebel, a British success story in the 1950s and early 60s. This exhibition tells the remarkable story of Erith's toy factory.**

October 4 / 2pm – 4pm  
**Toy Story: your favourite childhood toys**

Silver Sunday is an annual day of fun for older people across the UK. Meet our Collections Manager to reminisce about the toys of your childhood. Drop in and explore our collection of toys through the ages and learn more about the Mobo toy factory. Free to attend.

**Hall Place & Gardens**  
Bourne Road  
Bexley, Kent DA5 1PQ  
01322 526574
