Beauty & the Beast

A red rose sparks an adventure for Belle and her prince this winter

The enchanting children's classic comes to life in an exhilarating Polka show brimming with adventure, music, magic and mystery.

Meet two sisters who couldn't be more different. Cassandra is as feisty as Belle is timid, but when their father's life is threatened by a Beast, it is Belle who comes to the rescue.

Follow her courageous journey to the Beast's mysterious castle where Belle must overcome her fears and discover the true meaning of beauty. But can a single kiss set her prince free from a beastly spell?
