CABARET'S MOST WANTED

Welcome to the world premiere of *The Raunch*, London Wonderground's opening headliner for 2016. A whip-cracking, high-flying, all-twerking, rodeo-rocking night out, starring the Most Wanted of the international cabaret and circus scene and featuring a toe tapping, disco-hoedown soundtrack.

Featuring legendary cabaret performer Empress Stah as The Bad Sheriff, with her trigger-happy laser aerial act, featuring *Light in Places* - a song especially composed for the act by Peaches.

The Raunch also stars:

- Alternative Miss World Fancy Chance as The Condemned
- Hip-hop, rapping-tapping, dancing twins My Bad Sister as The Bar Room Beauties
- International sword-swallowing femme-fatale Jewels Good as The Madame of the Saloon
- Albino ivory-tinkler Stephen Thompson as The Ghost Rider
- Daring circus superstar Jo Moss as The Cockfighter
- The indescribably irreverent Mr Teds as The Unwanted

**SADDLE UP FOR THE MOST FUN YOU'LL
