THE TIGER LILLIES

FRIDAY 3 FEBRUARY 2017

The world of The Tiger Lillies is dark, peculiar and varied, with moments of deep sadness, cruel black humour and immense beauty.

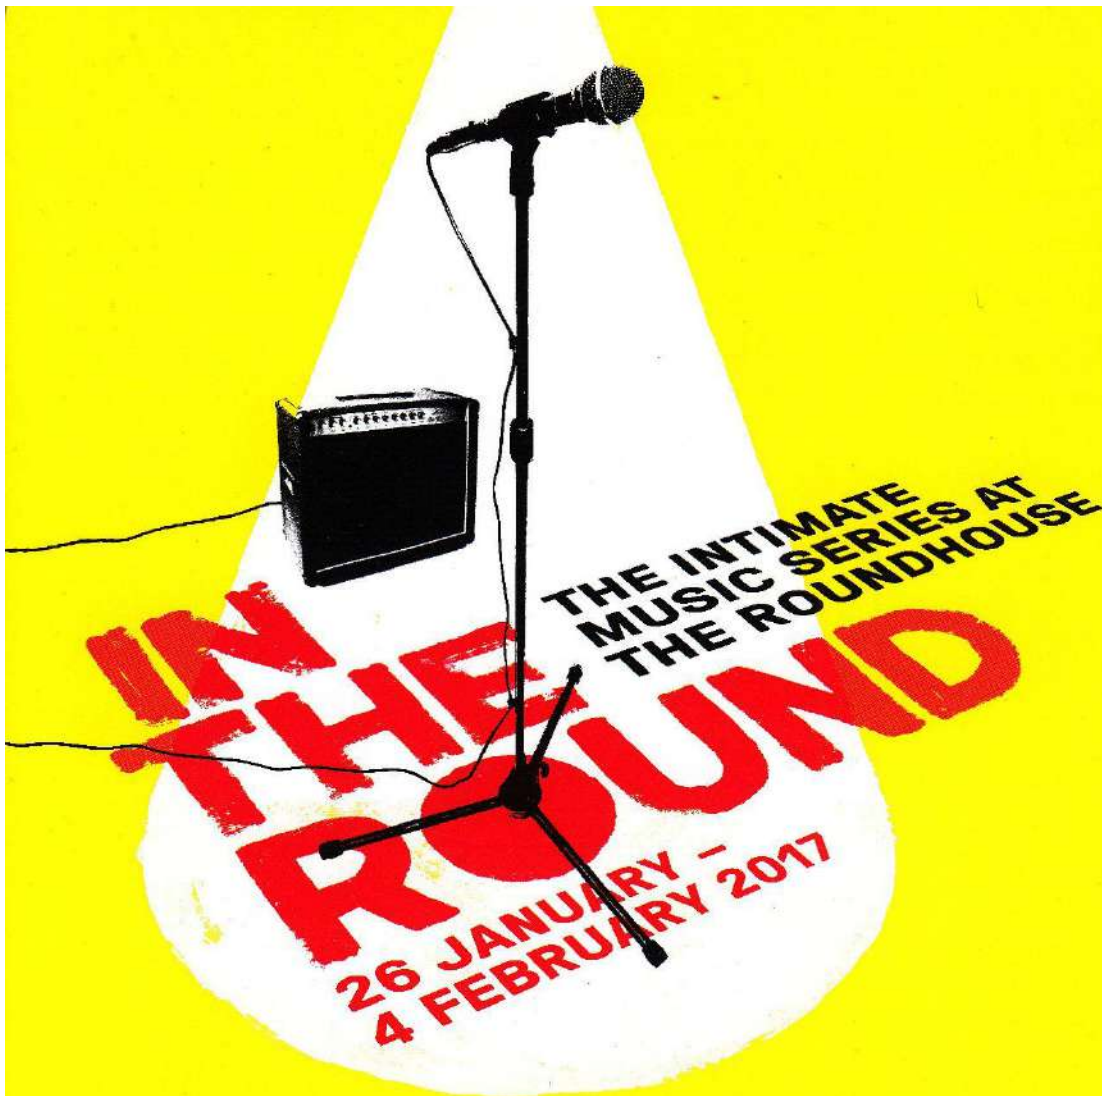

The music they produce is a mixture of pre-war Berlin cabaret, anarchic opera and gypsy music, echoing the voices of Bertolt Brecht and Jacques Brel.

For this very special show, the Grammy-nominated band will perform songs from their new album *Cold Night in Soho*.
