**"This is dancing to die for"** The Times

The legendary Alvin Ailey American Dance Theater returns to Sadler's Wells for the first time since 2010 with three exciting programmes of dance. Celebrating nearly 60 years of unparalleled artistry, Ailey's trademark technical brilliance and passionate energy bring audiences everywhere to their feet every night.

Highlights include: the UK premiere of the uplifting Exodus (Programme A); Paul Taylor's Piazzolla Caldera, a sensual exposé of tango reimagined with contemporary dance (Programme B); and Awakening, which sees Artistic Director Robert Battle powerfully translate rituals into masterful dance movement (Programme C).

All programmes are completed by the soul-stirring masterpiece, Ailey's Revelations – the most seen modern dance piece in the world.
