STAYIN' ALIVE

NIGHT
FEVER

When John Travolta strutted his stuff in the smash hit film **SATURDAY NIGHT FEVER** it changed the way we danced forever. Now the producers of the hit musical **GREASE** - Robert Stigwood, Paul Nicholas and David Ian - bring the stage musical to the **London Palladium** from 21 April. And stepping into the high energy dancing shoes of Tony Manero is the breathtaking young talent of **Adam Garcia**. Directed and choreographed by Hot Gossip's **Arlene Phillips** and with all those fantastic **Bee Gees** songs sung for the first time live on stage, including **STAYIN' ALIVE, YOU SHOULD BE DANCING, IF I CAN'T HAVE YOU, JIVE TALKIN', HOW DEEP IS YOUR LOVE, NIGHT FEVER** and many, many more...
