## Discover your identity in a galaxy far, far away...

Get to know the characters of *Star Wars*™ on a whole new level in the groundbreaking exhibition **STAR WARS Identities**. See your favourite characters like you've never seen them before, explore what makes you who you are and discover the Star Wars hero hiding inside you!

The exclusive collection of 200 original artefacts, including props, models, costumes and artwork from the *Star Wars* films, an interactive identity quest and insightful scientific content all work together in *STAR WARS Identities* to follow the dramatic journeys of the characters and help you create your very own unique *Star Wars* character.

Visitors will develop a better understanding of what makes the characters of *Star Wars* who they are, and at the same time explore their own identity with one question: What forces shape you?

Pick up your lightsaber... your journey into identity awaits!

**FROM 18TH NOVEMBER 2016  
TO 3RD SEPTEMBER 2017**
